

RICHARD BAKER "A COLORFUL WORLD"

Skidmore Contemporary Art · 2525 Michigan Ave B-4 · Santa Monica, CA 90404 · February 5 2022 – March 12 2022

RICHARD BAKER

"A Colorful World"

Richard Baker's art education began at the University of Pennsylvania, where he studied painting under the renowned realist painter, Rackstraw Downes. Baker's work is also influenced by cinematography, which he comes by honestly as a highly regarded film and television producer. This is Richard's fifth solo show at Skidmore Contemporary Art. He lives and maintains studios in Los Angeles and La Quinta, California.
